## Trip Overview

Croatia is a country blessed by both natural and manmade beauty and this holiday makes the absolute most of Croatia's natural environment. You'll enjoy white-water rafting, sea kayaking, canyoning, blue lagoon boat trip and exploring the stunning Krka National Park, all from your superb base close to the towns of Trogir and Split.

From lagoons to rivers, you'll see it all! The country is a true gem of the Dalmatian coast, with the sapphire beaches and emerald forests which form its coastline simply crying out to be explored. With this abundance of natural beauty, delicious cuisine, and a thriving adventure sports industry, it is the perfect place for you and your family to enjoy a coast and country activity week together.

We've based this 7-night active family adventure on the outskirts of the small and beautiful town of Trogir. You'll see the fabulous coastline and spend lots of time actively exploring rivers, canyons, and national parks. There's a visit to the Krka National Park with a short walking tour through the park, rafting on the beautiful Cetina River, sea kayaking around Split, canyoning through the Cetina River's spectacular steep-sided canyons and a relaxed visit to the Blue Lagoon by boat.

Although it has been designated as a UNESCO heritage site, the beautiful town of Trogir is lesser known in tourist circles. Your hotel is only a short taxi ride away from the Old Town, with plenty of restaurants, cafes, and shops to enjoy in amongst the beautiful Romanesque and Renaissance architecture. Furthermore, with a pool in the back garden of your hotel and a popular pebble beach a mere 200m away, you'll have the perfect place to relax and unwind between your adventures.

We can't think of a better way to explore the very best of Croatia's coast and country than on a multi-activity holiday. You'll be safe under the tutelage, guidance, and supervision of qualified guides, so all you have to do is listen and then enjoy.

### FLIGHTS, ARRIVAL AND WELCOME

Upon arrival at Split International Airport, you will be collected and transferred to the comfortable and friendly Hotel Medena on the outskirts of Trogir.

Once you're all settled in and unpacked, we recommend you enjoy your first dip in the hotel's pool or take a short walk down to the Medena beach, where there are a handful of cafes and restaurants to dine at. As Croatia's just as sunny as its Mediterranean counterparts, we are sure you'll enjoy taking a dip in both in your downtime!

Please note that the order and timings of activities listed within the agenda is subject to change; your final itinerary will be provided to you on arrival. The activities may require an early start in the morning, with transfers to reach the starting points, but the experiences will be well worth it!

Once you are all suited up and harnessed in, the adventures begin!

To make your way from the top of the canyon to its base, you will slide down natural water tunnels, pass through underground tunnels, and jump into the crystal-clear river pools carved out by thousands of years of running water.
