In Brief

An unforgettable family activity experience awaits you at Ranua with this fun and flexible holiday! Pick and choose the duration and activities to suit with everything from husky sledding to snowshoeing to reindeer sleigh rides on offer, all the while enjoying the snow-topped scenery and comfortable apartments.

Our Opinion

“ Children will love the huge range of animals at Ranua Wildlife Park – everyone likes the polar bears but also ends up having individual favourites too! A more personalised and festive animal experience is, of course, the reindeer sleigh ride, which makes for the perfect build-up to the highlight of this holiday: a private meeting with Father Christmas himself! And if that wasn't enough, you also get to go dog sledding and hunt the Northern Lights by snowmobile. ”

TAILOR YOUR TRIP

A selection of winter activities can be added to your trip at an additional cost. Once you have chosen when you want to travel and for how long you can select as many or as few activities as you wish from the extensive range on the "[Activities](#)" tab and tailor your trip as required. All activities are individually priced and our Travel Experts can assist you with your selection and will then provide a personalised itinerary quotation for you.

Trip Overview

Combining welcoming and modern accommodation with a delightful variety of activities and easy access to the nearby wildlife park, Ranua has become a firm family favourite amongst our guests. Kids and adults alike will marvel at the beautiful snowy scenery whilst they enjoy all the fun excursions the winter season brings!

This tailor-made option offers you great flexibility over your choice of winter snow holiday, allowing you to be as active or as relaxed as you wish with your family – take to the snow via husky sled, meet the local wildlife, strap on a pair of snowshoes or cross-country ski

along the trails. You can even fit in a visit to see Father Christmas!

You can also visit the nearby wildlife park with its array of animals including moose, Arctic fox, lynx, elk, deer and polar bears allowing your children a chance to see these amazing animals up close.

Subject to flight and accommodation availability you can usually travel at any time throughout the winter season (please note that flight options can be limited over Christmas and New Year). We would advise a minimum of three nights to really make the most of your time here. Simply decide when you want to travel and for how long, then match your stay to the activities listed in the 'Personalise' tab. Please note that all accommodation and activities are subject to availability at the time of booking.

Transfers, breakfasts* (half and full board options available) and cold-weather clothing for the duration of your stay are included in your trip. We've opted to include breakfast only* to give you the freedom to spend mealtimes however you prefer. Your wonderfully equipped villa kitchens are perfect for shared family meals. There is a nearby supermarket, accessible by taxi which can be prebooked or arranged locally, to stock up on supplies for meals in. For those days you'd prefer to eat out, Ranua Resort has its own buffet restaurant (with a la carte options too) on site. Alternatively, the wildlife park is home to a small kiosk selling light meals and hot drinks, plus Bubo Bistro so there are plenty of options during your time in Ranua.

*Half board meal upgrade is mandatory if you are travelling between 13th December and 6th January, and will be included in the price of your holiday. From December through to 10th January, we will not be offering a full board upgrade to include lunch, but guests can arrange and pay for this locally. In our experience, the restaurant can become busy during the festive lunchtimes, with outside visitors to the park.

Please note: activity schedules are subject to change. Duration of activity includes transfer times and breaks, and all distances are approximate. Some activities require a minimum number of participants to operate and are subject to availability.

Husky safaris: all decisions are made on the day of the safari by the lead guide as to any guest's suitability to drive their own sledge. As a general rule, those aged 15 and over are normally able to drive their own team of huskies but the guide's decision on the day will be final. On certain safaris, children under the age of 15 will either travel in a sledge driven by the guide or an accompanying adult.

Snowmobile safaris: the driver of a snowmobile must be 18 years old and hold a valid driving licence. Children will travel in a sled pulled by the guide's snowmobile on selected safaris where this is offered, older children may be able to travel as pillion on the snowmobile but this is at the discretion of the guide.

Single snowmobiles: all snowmobile safaris are based on two people sharing. If this is not possible in your party then you will be paired with someone else taking part in the activity. If you wish to guarantee your own snowmobile you must pay the single supplement - please ask our Travel Experts for a quotation.
